### **FROM THE GRAND KNIGHT**

Brother Knights,

Well, we are still waiting for Spring. It sure is taking its time to get here. With Lent starting on March 6, our Fish Dinners have started out BIG with a great crowd of people on Ash Wednesday and then the following Friday night. But we still can handle more people. Our workers know how to fix the fish and serve the other good side dishes. There is good food, good location, good drinks, good parking, and the best customers. So, come on out and join us!

We had a First Degree on Tuesday night, March 12, with two new members. We had a good meeting and discussed a lot of good issues. At the meeting we talked about the K. of C. Bar-B-Que. Like last year, the K. of C. Officers and the Columbus Home Officers will be the chairmen. One thing we want this year are new ideas and help with making things happen. Will you help?

In the spirit of Lent I am trying to stay positive, not negative. What are you doing for Lent?

Here's hoping you have a holy Lenten season and a very happy Easter!

Fraternally yours,  
Bob Klingele,  
Grand Knight

### **FOURTH DEGREE NEWS**

Dear Sir Knights,

I hope that everyone has made it through this harsh winter and early spring weather in good health. I hope to see you out at our club.

The Lenten Fish Fries are being served in our north building (McGivney Hall). So far they have been well attended and will be served every Friday including Good Friday. Hope to see you and your families out at the Fish Fries.

This is a reminder that the election of officers for our Assembly #200 will be held in May at our Fourth Degree meeting. Any Fourth Degree member can run for these positions. If interested, please come to the April or May meeting, thanks.

This is a reminder that the TV Mass for Shut-Ins are televised on your basic "ABC" Channel. See your listing for your channel.

Please remember in your prayers all the members and families of our Assembly #200 and Council #583 who are sick, in nursing homes or hospitals.

Also, keep in your prayers the members of our service men and women. May the Lord keep them safe.

Our next Fourth Degree meeting will be the third Tuesday of April.

"Hope to see you all there."

Vivat Jesus  
Your Faithful Navigator  
Terry Obert (217) 257-3161

### **NOTICE OF CHANGE**

The deadline for the Knightly news articles will now be the 15th of each month.

It will be labeled and mailed about a week earlier than it has in the past.

*"A BIG Thanks"*

We would like to thank those that helped make the Ladies Memorial Mass and Breakfast such a success.

Thanks to Father Joe Zimmerman for doing the Mass for us and Mary Demers and her partner for the beautiful music.

Plus we can't forget to mention the wonderful breakfast that Terry and Darlene Obert and their very helpful crew prepared and served us.

For the men that came to receive their 25 or 50 year pins, we are sorry for your inconvenience and hope the misunderstanding will be straightened out.

Ladies Auxiliary Officers

## Perspective from the Pew

Beyond the ordinary activity of demons through temptation is their *extraordinary activity*. This destructive work is more powerful and manifests itself, not only in thoughts, but also in the physical realm.

Most observers of demonic tactics agree that the following activities occur, but they sometimes differ in how they categorize the various phenomena. Here's one common way of classifying them.

### *Infestation*

A term for demonic activity connected to a particular location or object. Witnesses in an infested house, for example, may see physical objects moving, levitating, flying through the air, or disappearing and rematerializing in other places. They may smell offensive odors or hear inexplicable noises such as crashes, laughter, or screams.

### *Oppression*

This describes demonic attacks on a victim's exterior life; influences on their bodily health, finances, work situation, and family and other social relations. It may even include physical assaults, such as invisible blows to the body, a push out of bed or down stairs, mysterious scratches appearing on the skin. A number of Saints throughout the ages have spoken of enduring this kind of assault, St. Anthony of the Desert, Saint Teresa of Avila, Saint John Vianney.

### *Obsession*

This refers to a more severe and relentless form of the struggle in the victim's interior life, a wrestling with disturbing thoughts planted by the Enemy. The inner torment, suffered while awake or in nightmares, becomes so intense that the sufferer may seem to be going insane. Visual and auditory hallucinations may be experienced, as well as persistent temptations to suicide.

We must note here that such symptoms may well have mental or physical causes rather than spiritual ones. That's why the Church insists that those who experience such afflictions should first approach medical professionals for help before concluding that they are under an attack by evil spirits.

Parts of our faith are a mystery, and yet we still believe. We don't have the answers, yet we still believe. Re-examine our Creed, I believe in one God, the Father almighty, maker of heaven and earth of all things *VISIBLE AND INVISIBLE*.

My brothers and sisters, if you believe in God, then you certainly must believe in Satan, and know that to be true, he (Satan) does believe in you, and will do everything he can to turn you away from God the Father.

Are the things mentioned above out of the ordinary, perhaps, but realize this, we are fighting something that is out of the ordinary, not tangible, and certainly more aggressive to get his way, than to allow us to follow God.

Peace be with you today.
