Council Business Meeting
2nd Tuesday of the month

From The Grand Knight...

Hello Brother Knights,

Fall is here with all of the magic in the air! Thanksgiving is just around the corner and Christmas will be soon thereafter. As we move into the New Year let's remember to give thanks, and do a little extra for everyone around us.

Everyone could use a little help or encouragement at this time of year. Ask brother Knights to lift up those that may not be as fortunate as us. Also, our kids Christmas and *Christmas Cheer* is slowly coming upon us. The dates for those events will be. *Kids Christmas* on the 14th and the *Knights Cove* and *Christmas Cheer* will be the Sunday the 8th. We look forward to seeing all of our members at *Christmas Cheer* this year. Come out. Have a good time. Enjoy the holiday!

I also ask all of you over this holiday season to say something a little extra, say an extra prayer just for the people in general that we are trying to do so much for in this holiday season.

- CHAPLAIN'S REFLECTION

I remember the chilling feeling of standing on the spot in Sarajevo, Bosnia where, on June 28, 1924, Bosnian Serb Gavrilo Princep assassinated Archduke Franz Ferdinand of Austria and his wife. This proved to be the spark that kindled one of the most terrible conflicts in all human history, World War I.

That war grew to be a global conflict between two coalitions: the Allies and the Central Powers. The parties fought in unrelenting brutal trench warfare, using deadly machine guns, tanks, suicidal charges and poisonous gas. There were some 40 million casualties, 20 million killed and 23 million maimed and wounded. Parts of the battlefields are even today dangerous from unexploded ordinance.

Perhaps it seems inappropriate to mention this event in the month we celebrate the birth of the Savior but something of a miracle happened during that war. This was highlighted by Stanley Weintraub in his book, *Silent Night*:

*On Christmas Eve, men on both sides laid down their arms and joined in a spontaneous celebration. Despite orders to continue shooting, the unofficial truce spread across the front lines. Even the participants found what they were doing, incredible: Germans placed candlelit Christmas trees on trench parapets, warring soldiers sang carols, and men on opposing sides shared food parcels from home. They climbed the trenches to meet in "No Man's Land" where they buried the dead, exchanged gifts, ate and drank together, and even played soccer.**

For a moment amid the insanity of the war men were moved by the spirit of the season, to turn from the violence, to each other as fellow humans and to celebrate the season. The spirit of Jesus visited the battlefields, and peace prevailed.

As we enter the month of Christmas we pray that something of that miracle happens again, as people around the world turn their hearts to Bethlehem

and the Infant who was born there. Let us lift our hearts for a moment to the Lord.

If we could only carry that spirit with us throughout the year!

Perhaps we can!
